## **Risk-Taking Mission News**

### Community Dinner

The theme for the September Community Dinner is Southern Home Cookin' and will feature Southern Fried Chicken (by Krogers) and ham. Get out your cook books and try some of those "down home" recipes to bring. Also, since September is "back to school" time, we will have a collection of basic school supplies (pencils, notebooks, crayons, glue sticks, etc.) so if you did not get all the things on your back-to-school list, you can pick up some of the items at the Community Dinner.

### More About Community Dinners

October's Community Dinner theme will be October Fest and feature sausage and sauerkraut and other German foods you might want to bring. November, of course, will be Thanksgiving and turkey and all the trimmings will be offered. December will feature the Christmas ham and other dishes prominent at that season.

### Food Pantry Plea

Although it is called Kings Food Pantry, the pantry helps fill many other basic needs including personal care items. One important item is toilet paper. Usually, that comes from Shared Harvest, where most of the pantry food also originates. Recently, the pantry was informed that they would no longer be receiving toilet paper. Therefore it will have to depend on donations from you. So, please, please, next time you run out of TP, pick up some for the food pantry, too. Thank you!

Goodworks Inc. Athens, Ohio

Dear Families,

We are doing God's work and having a wonderful time together. There will be one more day mission project in July 2013. The project will be decided by the children at the June Learning Session.

Now is the time for us to start planning for our final mission work site which will be an overnight event in Athens, Ohio. We will be working with GoodWorks Inc. helping underprivileged families. We will drive up on Friday afternoon September 6 and come back by 1:00 p.m. on Saturday, September 7.

Here is the website if you want to learn about the site.

## **Trustees News**

The Trustees are looking for a project manager to re-upholster the education wing chairs. We would also like volunteers to help with the work of re-upholstery. Project manager would coordinate the selection of fabric and schedule volunteers to get the work done. Goal is to have at least enough chairs for the classrooms done by 1/31/14.
